

PRAYING, GIVING, GOING • A TEAM WITH A MISSION

Dharamsala, India 2023

On February 13, Christian Life Center sent a team to Mcleod Ganj, a suburb of Dharamsala, in the Himalayan region of Himachal Pradesh in northern India. We were a team with a distinct Divine mission! Below are a few of the events we experienced...

We brought **200 solar lights** in 4 suitcases for Lobsang's ministry to the nomadic people in the Changtang. (www.rtinc.org/news/category/tibetan-nomads-winter)

The new **Modern Tibetan Bible** was transferred to Chhime La (the Dalai Lama's personal secretary) for the Dalai Lama. He opened it and held it like a prized possession. Later that day, as we went back to pray in the temple, we connected with him again as he was leaving the temple. There seems to be a genuine connection with him so we will continue the relationship. Our visit with the **Tibetan Children's Village**, founded by the Dalai Lama's sister, Jetsun Pema, was an amazing connection. With your giving we fully supported 6 children for a full year! Then the team added their own support. The director and staff were ecstatic and held us in high esteem. This will be an amazing ongoing connection with Tibetans in exile. (TCV.org.in)

We are also assisting **Tibet World** in a critical restart with finances to accomplish their new post-covid vision. (TibetWorld.org)

As we were drinking honey lemon ginger tea (yum!) at Lobsang and Dolma's home, I (PJack) spoke with "K" in China via WeChat. He was the main translator of the Bible. Through my prophetic prayer for him, God visibly touched him! He then asked if I would come to China when it opens. I would add the Tibetan villages in Xining to the trip. (RTInc.org)

Joshua 1:3 prayer — On the birthday of Shiva, the main Hindu god, we were able to place our feet in Shiva's ancient, 1000 year old temple. As the team prayed, I took one member and we literally were ambassadors of the Kingdom of God on behalf of the lost, in the midst of their worship frenzy!

We ended our time with prayer and anointing of the Dalai Lama's temple on Losar, the Buddhist New Year. Continue to pray for the Tibetan Bible to touch many lives, including the Dalai Lama!

I want to thank CLC and especially our team who took their time to be an awesome "team on a mission!"
